

WOMEN PANEL DISCUSSION – @NXP

WOMEN IN TECH AND ENGINEERING Success Stories of Female Employees at NXP France

Join us for an exciting virtual panel discussion with a group of female engineers working in different functions at NXP in France. Learn more about their current jobs and their individual success stories and get inspired by how they made important career decisions, challenges they encountered and key learnings they gathered along their career path. Of course, you will also have the chance to ask your questions!

DATE & TIME: Monday, **March 8th at 1pm**
